

COACHING POLICY

Golden Grove Little Athletics Centre is committed to providing high quality athletic training opportunities for its members. GGLAC seeks to ensure that all coaches are appropriately trained and accredited under the Athletics Australia Coach Accreditation Framework.

GGLAC coaches and coaching assistants are required to complete the level 0 officials course and undertake 'Play By The Rules' training. Play By The Rules is a partnership between the Australian Sports Commission and all state sport and recreation agencies. It involves ensuring that coaches provide an inclusive, safe and fair environment for participation.

As with all services, coaches and training co-ordinators are a rare commodity and are highly valued by host clubs and centres. GGLAC invites suitably experienced or qualified people to express their interest in coaching and developing the skills of our athletes.

We also provide financial support to those willing to undertake coaching qualifications or to increase their current qualification level. If you are interested in coaching at the centre, please speak to our coaches' coordinator or a committee member. Further information about coaching and available training is on the SALAA website (www.salaa.org.au).

All interested applicants are asked to put in a formal request for financial assistance via email to the GGLAC committee (committee@goldengrovelac.org.au). Applications are reviewed on an individual basis, however a minimum commitment from the applicant to attend training sessions and at least 50% of home meets is required for the application to be considered.
