

FUNDRAISING POLICY

It is acknowledged that fundraising can become cumbersome for families, in particular where they have children involved with multiple sporting clubs.

At the beginning of the 2014/2015 season the GGLAC Committee made the decision to charge each athlete a fundraising levy rather than carrying out fundraising during the season.

This decision took into consideration the extra workload that fundraising creates for the Committee and the lack of money which had actually been collected from fundraising in the previous season.

The introduction of a fundraising levy ensures the centre has a continual fundraising source which can be used to replace broken equipment and purchase new equipment throughout the season.

The fundraising levy is \$10.00 per athlete and a maximum of \$25.00 per family, incorporated into the membership fees.

The Committee reserves the right to still hold raffles for fundraising purposes at presentation day and other occasions throughout the season.
