

FINANCIAL HARDSHIP POLICY

POLICY

Golden Grove Little Athletics Centre (GGLAC) acknowledges that the payment of fees is a financial commitment for all members. However, there may be some personal circumstances beyond the normal that may require special consideration by the Centre. This policy is designed to facilitate consideration of these circumstances as an exception to benefit both members and the Centre.

Applications under this policy must be made in confidence regarding the sensitive nature of the application. In particular, the personal circumstances of the applicant which are subject to assessment to validate the request. It is intended the Secretary, who must receive and process each application and the President and Treasurer meet as a Sub-Committee to review each application, are the only committee members privy to the personal circumstances of an applicant.

Any decision to reduce or waive fees should only be made in extreme circumstances and every effort should be made to support the paying of the full amount for any fees prior to considering reducing or waiving of a fee.

PROCEDURES/LIMITATIONS

- Any member who has difficulty paying registration or other fees at the Centre must contact the Centre immediately in advance of the deadline for on-time payments. Members should apply in writing to the Secretary for a variation of registration fee payment requirements.
- The application must be made in confidence and based on personal circumstances that are subject to assessment in accordance with procedures outlined in this policy.
- The application must apply to fees for a current season only. A separate application is required for each season.
- The Secretary must forward each application received for confidential assessment by a Sub-Committee, consisting of the President and Treasurer.
- The Sub-Committee may contact or meet with the applicant (by delegation or as a group) and may require any evidence it thinks necessary to corroborate an application taking into consideration the centre requirements, the needs of the applicant and sensitivities regarding personal circumstances.

- The Sub-Committee must treat each application as an exception to the rules of the Centre and may facilitate payment of fees in accordance with the following alternatives listed in priority order for decision:
 - Support the applicant to apply for membership support through the association (Little Athletics South Australia - salaa.org.au).
 - Reduce the amount of fees to be paid by the applicant.
 - Waive the payment of fees by the applicant for the relevant season only.
- The Sub-Committee must advise the applicant in writing regarding its decision, the Secretary must keep records of all applications and decisions.
