

## Nomination form for State Relay Championships (U8-U17 Athletes & Parents)

**Sunday 12<sup>th</sup> Dec 2021 at SA Athletics Stadium**

Please consider your availability on the date of the championship before nominating for selection.

Once you have been selected for a team, you are committing to attending scheduled training sessions and the event.

Late withdrawals can impact on the whole relay team and may mean that other athletes miss out on the opportunity to compete. Please communicate with your Team Manager as soon as possible if your availability changes and you are unable to compete at the championships.

The Team composition is constrained by SALAA event specific rules, see [www.salaa.org.au](http://www.salaa.org.au). These include but are not limited to;

- o An athlete may compete in a maximum of 3 events comprising of:
  - o Two track events and one field event; or one track event and two field events
- o An athlete may only compete in 3 events once all other nominated athletes in their age group have been selected for 2 events
- o The field relay team may consist of a maximum of four athletes (one athlete per event) and a minimum of two athletes (two events per athlete)

Teams are selected by the relay day sub-committee. Factors that impact team selection include the availability of athletes, athlete's personal best time in the current season.

The Committee makes every effort to ensure that as many nominated athletes as possible have the opportunity to compete at State Relay Championships. It is acknowledged that in some age groups the number of available athletes may be small or large and as a result athletes may be placed in a medley team or a different age group (where permitted by the SALAA rules).

The decision of the sub-committee is final.
