

Training, whilst not compulsory, is recommended for athletes of all ages. At training sessions our qualified coaches will teach athletes correct throwing, jumping and hurdling techniques. Details of training sessions can be found on the website [www.gglac.org.au](http://www.gglac.org.au).

Athletes may not be left at GGLAC training sessions without appropriate adult supervision. Parent participation is required at all training sessions, please refer to the guidelines for parent participation policy for further information.

If the temperature is 34 degrees or higher on the Bureau of Meteorology website for Parafield, <http://www.bom.gov.au/sa/observations/adelaide.shtml>, one hour prior to the commencement of the training session, **it will be at the Head Coaches discretion as to whether training is cancelled or goes ahead**. Where possible, notification will be posted on the website [www.gglac.org.au](http://www.gglac.org.au) and on our Facebook page.

If you require any further information on training or coaching, please speak to our Coaches Coordinator or any Committee Member.

Further information on coaching opportunities within the Centre can be found in the coaching policy.
